

**Member Car of the Month**  
**1940 Ford DeLuxe Fordor**  
**Henry and Louise Staggs, Mt. Juliet, TN**

Our 1940 Ford DeLuxe Fordor Sedan came to us by way of a collector in Virginia. It had been advertised for sale and the ad was seen by grandson Michael Driskell and referred to us.

We made arrangements to bring the beautiful baby home to Gladeville, Tennessee. This old car was almost completely restored with some minor things still needed. We are enjoying making it our special cruiser and we look forward to being part of the V-8 Club.

Henry and Louise Staggs
